SECOND JOINT STATUS REPORT

¹ Substituted pursuant to FED R. CIV. P. 25(d) for James M. Peña.

On September 17, 2020, Plaintiff Central Oregon LandWatch and Federal Defendants jointly moved to stay the deadline to object to the Findings and Recommendations issued by Magistrate Judge Sullivan, ECF No. 162, addressing Plaintiff's Amended Motion for Attorney Fees, Costs, and Other Expenses, ECF No. 137. The Court granted the parties' joint motion on September 23, 2020, and ordered the parties to file a joint status report by November 2, 2020. ECF No. 167. In response, the parties filed a joint status report indicating that they had reached a proposed settlement, but that the settlement required approval by the relevant authorizing officials within the Departments of Agriculture and Justice. Progress has been made on the process for obtaining such approval, but it has not yet completed. If the parties have not filed a stipulated settlement agreement by January 14, 2020, they propose to file another joint status report providing an update on the status of the approval process on that date.

Respectfully submitted, this 11th day of December, 2020.
